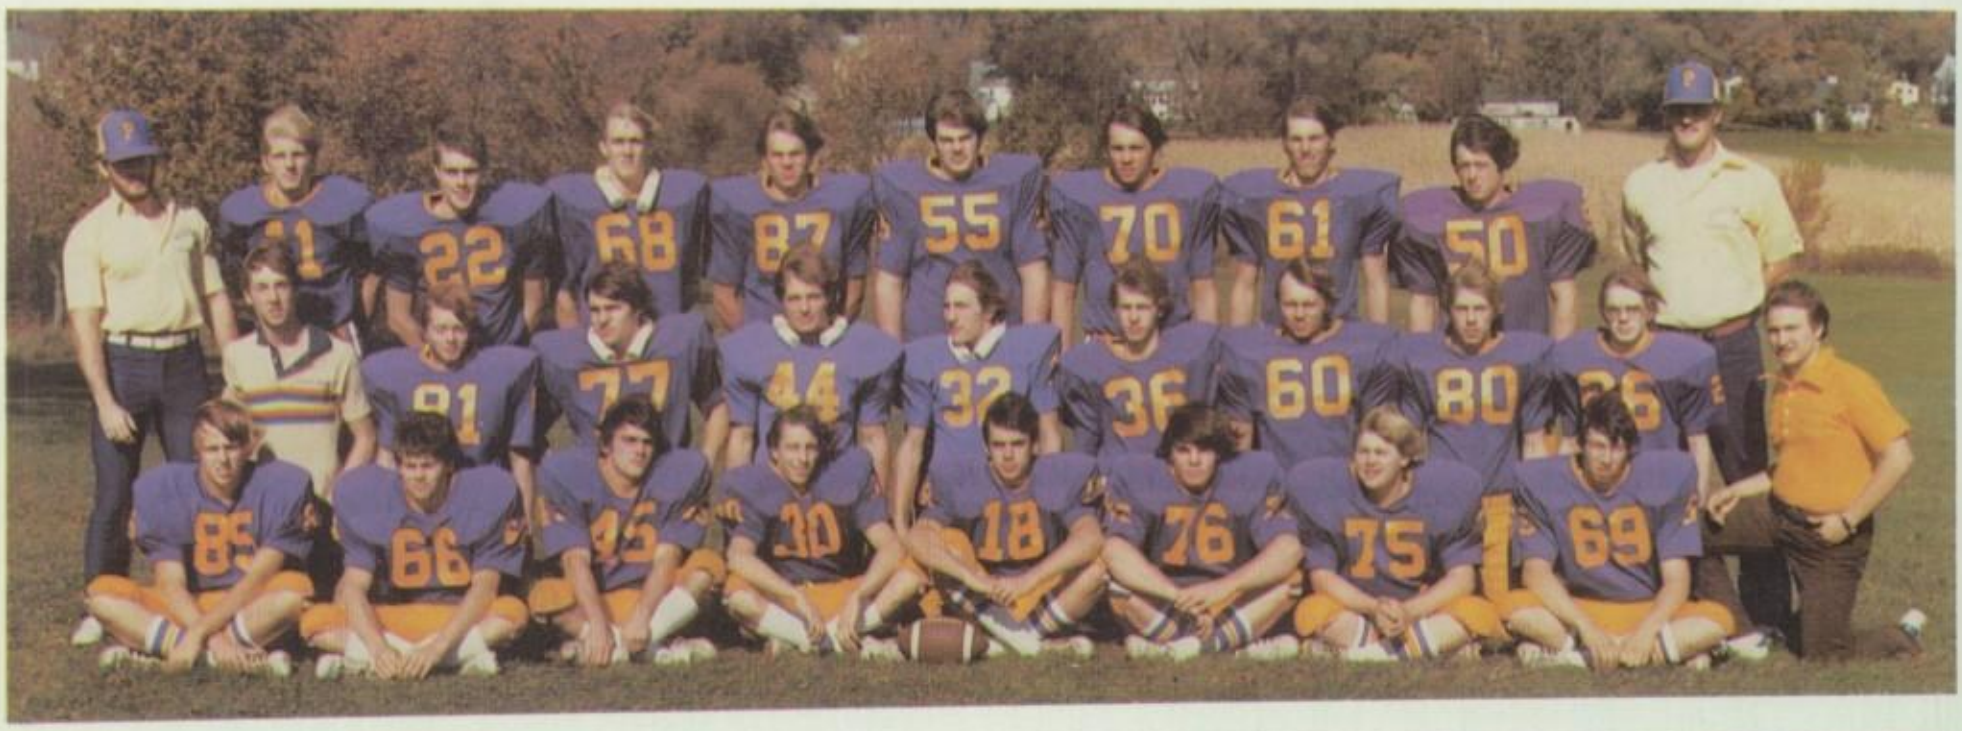
AUTUMN TWILIGHT



COURT-Freshmen-John Schirger, Kris Klages. Juniors-Sue Owens, Tad Rodenbeck. King-Mike Eckburg, Queen-Deb Anderson. Seniors-Joe Doty, Karen Gibler. Sophomores-Bridget Sughroue, Mike Bellows.

"Autumn Twilight" was the scenic setting of Homecoming 1980. The golden leaves coincidently matched the football jerseys, the gold patterns of the pom pon and cheerleaders uniforms, and the designed floats. This unity between the golden leaves of fall and the golds of Pecatonica's school spirit was a sure sign that our team was going to be victorious. Nature was on our side.

The team proved this in their victory against Stillman Valley with a score of 18-0. The usual Homecoming week activities included "Hat Day", "Stuffed Animal Day", "Sock and Clash Day", and ended on Friday with "Purple and Gold Day".

On Saturday night, the gym took on a different look. The Student Council and the FHA decorated it beautifully for the Homecoming Dance. Dan Allen and Lisa Weires crowned the new King and Queen, Mike Eckburg and Deb Anderson, to the sounds of the J. Peterson Band.

To the Senior Graduating Class of 1981:

"My interest is in the future — because I'm going to spend the rest of my life there," stated Charles F. Kettering. Kettering was a man whose bad eyesight slowed his education, yet he persevered and then invented such things as the self-starter for the automobile, ethyl gasoline and the high compression engine. He applied what he had learned and continued to learn more.

You are graduating but not completing an education. Graduation is nothing more than a ceremony of beginnings. I hope you have captured the moment of truth each step toward graduation and that you have learned to love to learn.

How much you persevere in applying what has been learned, while continuing to learn more, will determine your future. I wish you the best.

Ronald L. Howard
Superintendent

To the Members of the Class of 1981:

As graduates of Pecatonica High School, you have demonstrated that you have gained the knowledge, skills, and understanding necessary to become successful in life. As you participate in your Commencement Ceremony, you leave behind the struggles and triumphs of your youth to encounter the excitement and challenges of a new phase of your life. Congratulations on your accomplishments at Pecatonica High School and best wishes as you strive to use what you have learned to better build your future.

This year marks the twenty-fifth year of a teacher, advisor, and a friend. Mr. Welling has seen many students pass through the doors of this school, and helped many farmers learn their trade.

The walls in Mr. Welling's room are filled with awards won by his Future Farmers of Amerca. In tribute to him, this year the FFA set aside one day of the National FFA week as a tribute to him.

We wish Mr. Welling well and good luck in his next twenty-five years at Pecatonica High.

This year's cross country team consisted of five very eager members, considered as The Big Five. They all worked out a couple nights a week after school by running two miles in about a half hour. The team never entirely won a meet, but they had a few members come in second. They weren't a big team, but they were mighty and tried their best. They did fairly well, considering they were competing against down-state teams. Out of the nine scheduled meets, the zealous runners ran in five. Congradulations on a prosperous year.

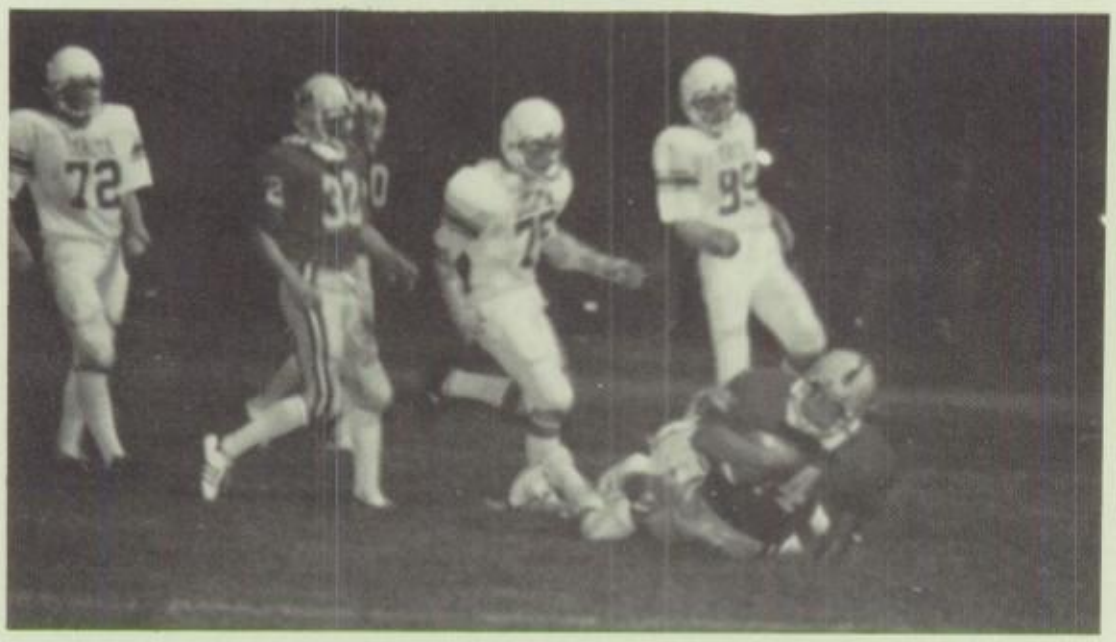
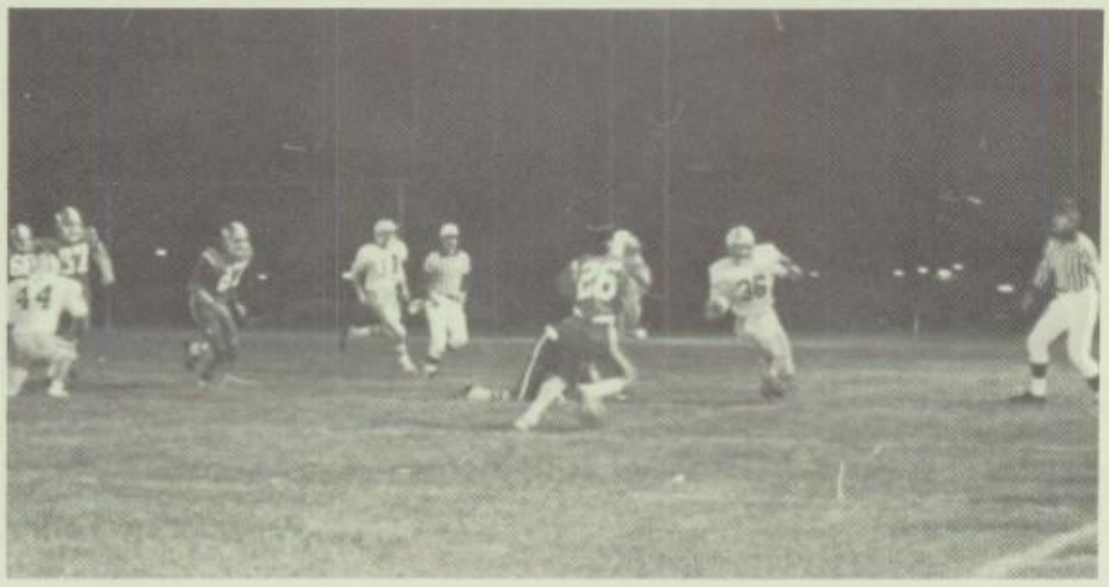
CHAMPS





Prosperous! Thrilling! Exciting! All of these things describe the season Pecatonica had this year. With lots of hard hitting, fast running, and game-stopping plays the Indians layed a foundation for a 7-0 conference record and a 9-1 overall season.

This was the first play-off season for the much improved Indians of years ago.

"I feel the team did what was expected of them," commented Coach Miller, "they played with intensity."

They came out winners with a long awaited win over Polo near the end of the season. The win also lessened their chances for a play-off win, and a supposed sternum injury to Mike Buss, and the loss of Ty Babcox, with a broken leg.

Buss once again managed to break the thousand yard mark this year. It is the second year he has done it.

"I think even though we had a lot of outstanding individuals we had tremendous team effort," DeVoe said.

All in all the season was a great success. We look to next year to see if the team can carry on this winning tradition.

"Over all the boys worked hard. I think they had fun playing the game." This quote by Coach Schnorr describes the Fresh-Soph season.

With a 2-6-1 record there's not much more you can say. This years team was too inexperienced, composed mainly of freshmen and first year sophomores. Defensively the team played well, but it takes more experience to move the ball than to stop it.

"It was a season of highs and lows." Commented Coach Schnorr. "Especially when they came within one point of beating the conference champs."

BASKETBALL

Well, it was another one of those seasons for the players, coaches and fans. The players were looking towards their next sport, the coaches were wondering how nice it would be to eat supper after school again, and the loyal boy's basketball fans were looking to see what the girl's sports were doing.

Actually this years team was much improved over last years, even though their record proves that this years team went 3-21 while last years stats were 2-22. First year coach, Bill Jacobs, gave the players a lot of work, lessons, and ways to win the game and at times came quite close. Coach Jacobs succeeded in getting the fast-break down for the Indians, but the offense just didn't seem strong enough to stop their opponents.

A bright spot in the season was that Greg Anderson was named to the all-conference team. Greg was also chosen outstanding male athlete for the 1980-1981 year.

FOR THE FUTURE

Looking towards next year the Varsity team should be quite a season if this year's frosh-soph team has anything to say about it. The frosh-soph team tied for second place. With the talent of sophomores Mike Dickmann, Jon Bauch, and Joe Eckburg, plus the addition of freshman Bob Lizer, the team was tough to beat.

Coach Schnorr is proud to say that his team beat every team at least once.

We hope to see the frosh-sophs continued success in hopes that the Varsity will look better in the future.

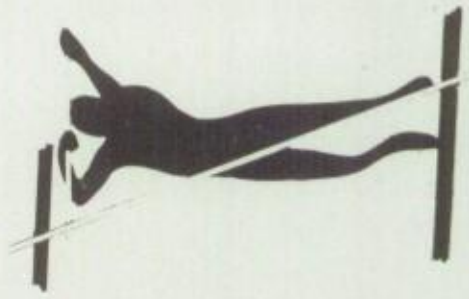
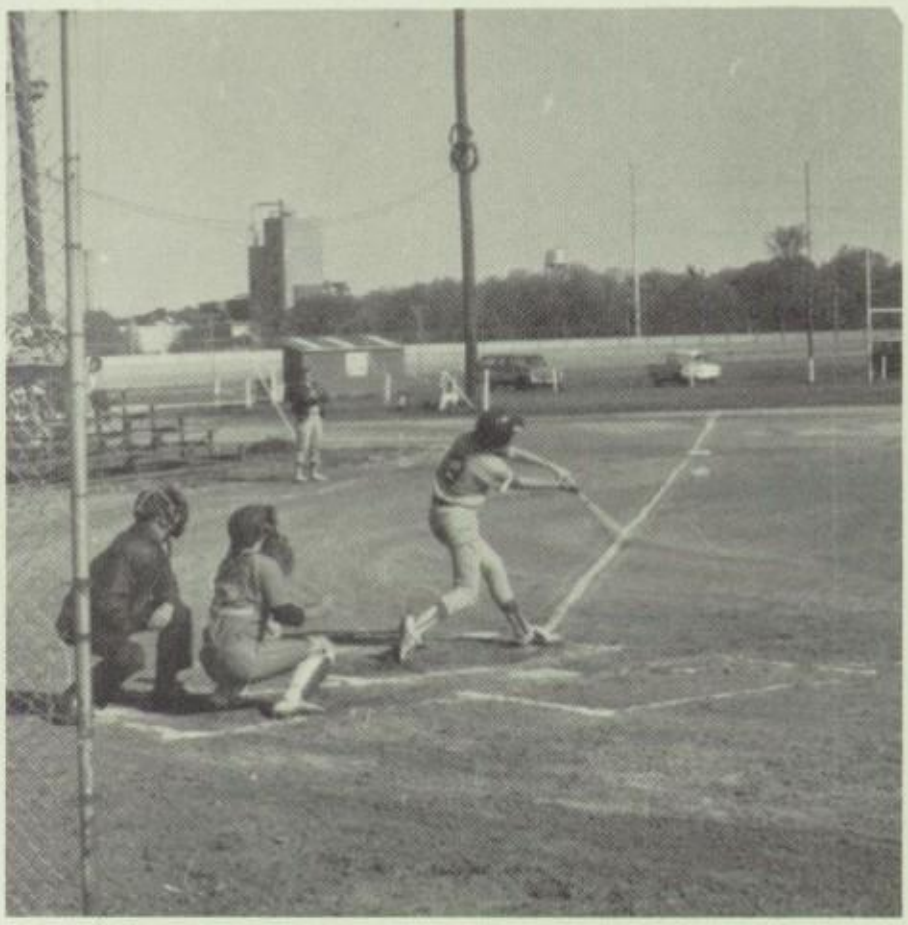
A track member is award a certain amount of points for placing in an event, Mark Johnson was far and away the highest point scorer.

The hilite of the season was when Mark Johnson recieved first in the Long Jump at districts which qualified him for state competition. At state Mark placed 17th.



BASEBALL



This year's Pec baseball team finished with a record of six wins and seven losses. The highlight of the year was a doubleheader win over Winnebago by the score of 5-1 and 4-1.

Poor hitting was a major reason why the team did not have a better than .500 record. The pitching was more than adequate. Of the fifteen players out, twelve are underclassmen. The team will miss Tony Sughroue, Mike Buss, and Mike Eckburg who are graduating seniors.

Weight Training is for everyone.

In 1977 the Pecatonica High School weight training program was born. At that time it consisted of a set of weights from Sears, an universal gym, and a room almost big enough to change your mind in. The purpose of the program, which at that time was referred to as the Football Conditioning Program, was to give off season football players a way to stay in condition and build strength. But like all new things the weight training program has been maturing. Not only has the room grown in size, but so has the amount of equipment and the number of participants.

As of 1981 the program is now offered to anyone that wishes to better themselves athletically. This year was the first year weight lifters competed intramurely in a meet here at the school. 1981 also marked the second year Pecatonica powerlifters competed at the Peoria Spalding State Powerlifting Championships. Two years in a row Pec has managed to place 2 lifters in the top 6 places.

As the competetive spirit grows in high school sports, so will the Pecatonica Weight Training Program. Coach DeVoe encourages all interested students to participate.

The Varsity Volleyball team enjoyed a winning season as they finished the year with a record of twelve wins and nine losses.

After getting off to a slow start, the girls came on strong. As the season went on, they gained confidence and experience which combined with their skill, determination and teamwork to give them an almost insurmountable advantage against their opponents.

The team, which consisted of three seniors and four juniors, was nicknamed "The Super Seven" because of the number of team members and their ability to play well together.

Two of the girls, Sue Owens and Shelley Schuur, were named to the Mid-Northern All Conference Team.

The team had a fine season and should be congratulated for their fine efforts.

After years of comedy, this years fall play was of a dramatic nature. Director Robert A. Olsen selected "The Diary of Anne Frank" as this years production.

Two Jewish families, forced into hiding because of religious persecution of the Jews by the Nazis, try to live out the remainder of the war in the upstairs apartment of Mr. Frank's business. After being discovered by the Germans, they were separated and sent to concentration camps. The only survivor was Otto Frank, Anne's father.

The Pecatonica High School Mixed Chorus, under the superb direction of Robert A. Olsen, went to State Organization Contest held in Galena this year, and returned home with yet another Division I rating, as did the Girls Chorus and the Boys Chorus.

At Solo and Ensemble Contest, held in Freeport at Highland Community College, the members of the chorus received 110 Division I ratings, making Pecatonica's choral department the envy of every school in the area. And, for the third year in a row, the Pecatonica High School Music Department was ranked 7th in the state for Class C schools.

Many members of the chorus also participated in the District VIII IMEA Music Festival held in DeKalb, and at the Mid-Northern Conference Music Festival held in Mount Morris. Many members of the chorus also took part in the production of this years spring musical- ***FIDDLER ON THE ROOF.***

Congratulations, Chorus, for providing us with such an entertaining year of your fine music.

BAND

The Pecatonica High School Band, under the direction of J. Terry Stewart, has enjoyed a very successful year. Not only did the band receive a Division I rating at contest, but they performed to the great satisfaction of the audience at all three of their concerts, the Fall, Christmas, and Spring.

Both the Marching Band and Concert Band purchased new uniforms this year which helped the band look as good as they played.

Although Mr. Stewart will be leaving us at the end of the year, we will keep up the tradition that the Pec High Band has built up under his instruction.

IPSEN CERAMICS

325 JOHN STREET, PECATONICA, IL 61063
A DIVISION OF IPSEN INDUSTRIES, INC. AN ALCO STANDARD COMPANY

Ipsen Ceramics was formed in 1952 to produce specialized refractory ceramic tubes for use in steel heat treating furnaces.

At that time the company existed as a department of Ipsenlab of Rockford, located on Kishwaukee Street in Rockford. In January, 1957, Ipsen Ceramics was incorporated as a separate corporation and in the spring of that year construction was started on a new facility located on John Street in Pecatonica. The employment totaled 10 persons when the new building was occupied in August.

In June, 1966, two Ipsen companies in Cherry Valley, Illinois and the Ipsen Company in Pecatonica were acquired by Alco Standard Corporation. Valley Forge, Pennsylvania, and Ipsen Ceramics became a part of that corporation.

We've known each other for some time now. Along with knowing each other we have had some fun. We've had our ups and downs, but we resolved them some way or another.

I hope in the future, that all your dreams, hopes, and ambitions all come true, because you deserve it.

And even after I am married on July 17, 1982, I hope we still can be friends.

Good luck in the future and Best of luck always.
